Raw by Noé Duchaudour-Lawrance for Tai Ping // For his debut collaboration with made-to-order rug manufacturer Tai Ping, Noé Duchaudour-Lawrance presents Raw, a collection exploring the origins of our planet; the formation of the earth, the foundation of civilization, the tension in the tectonic plates. In collaboration with exhibition designer Clémentine Farrell, Duchaufour-Lawrance will transform Tai Ping's San Simpliciano Square showroom, creating an interactive environment to launch Raw.
